

Walworth County 4-H Youth Project Day Ideas

The 4-H leaders assoc. has come up with some exciting ideas for this year's Youth Project Day. The Project Day will be held on either June 7,8, or 9, 2021. The location is TBA later, but we would like to survey everyone to see which project ideas are most popular. Please use 1 sheet per youth and mark up to three projects. (Ex: Painting-1, Glass Etching-2, Wooden Clothespin Cross-3). Please return survey to your local office by Mar. 15.

1. Weaving: Learn how to weave using a loom.

2. Painting: Paint on a canvas frame. Learn how to paint a background with a silhouette.

3. Wood sign: Finish a piece of wood and applique words.

4. Glass etching: Learn how to use etching cream to etch a design on glass, or a mirror.

5. Needle felting: Must be at least 10 years of age as needles are super sharp; will use roving wool or yarn with a needle to felt a project.

6. Wooden clothespin cross: Use wooden clothespins to form a cross, finish and detail the wood.

7. Wool Dryer Balls: Using raw fleece and roving make your own dryer balls.

8. Pottery: Make and paint a bowl using self hardening clay.
